LET YOUR *light* SHINE

A woman with blonde hair and glasses, wearing a blue zip-up hoodie with a white Nike swoosh and "GAU" logo, is holding a red and white anatomical model of a shoulder joint. She is gesturing with her left hand towards a person whose arm is visible on the right. The background shows a gym with various equipment like treadmills, a green exercise ball, and a wooden staircase.

THE CORE OF YOUR EDUCATION

1

CORE 100: Life In Community

This is the foundational SAU experience. A weekend at SAU's Michindoh Conference Center offers a chance to unplug, explore, reflect and bond.

2

CORE 200: Christ, Culture, & Diversity

Take a deeper look at America's economic and social disparities and gain vital perspectives on a weekend trip to Chicago or Detroit.

CORE is a series of thought-provoking courses that serve as the foundation of your education at SAU. It is a part of the broader mission to connect students to culture, community, and the world. What better way to learn than to make the world your classroom, and have unforgettable shared experiences?

LET YOUR

faith SHINE

Twice a week, **the student body gathers for chapel where together they worship the Lord through prayer and song** before hearing messages from passionate speakers from across the country.

Outside of chapel, students share and experience Christ's love through **classroom discussions, spiritual life events, student ministry organizations, and late-night worship sessions.**
